

GRAN VIU FINCA SANTIAGA

NAME

Gran Víu Finca Santiago

YEAR

2004

DESIGNATION OF ORIGIN

Cariñena-Almonacid de la Sierra

VARIETIES

60 % Garnacha, 20 % Cariñena, 20 % Vidadillo

This wine comes from an area known as Santiago, at an altitude of 750 m, where old vines are grown, although the important factor is the depth of the soil and the composition of the soil.

AGING

44 months

ALCOHOL

15,5 % Vol.

SERVING TEMPERATURE

18°C to 19°C

TASTE

Hints of minerals, balsamic, highly spicy, notes of flowers, ripe fruits and liquorice. It is an embracing wine, flavoursome, long-lasting aftertaste, wine to be enjoyed.

BOTTLING

No stabilisation or filtering processes that could alter its properties. This wine may have some natural sediment.

PACKING

Wooden box containing 6 bottles.
